

**Tentative Agenda\***  
**Panel Discussion Session**  
**Indonesia Pavilion COP 23 UNFCCC**  
 Bonn, 6-17 November 2017

\* Draft as of 5 October 2017

1ST WEEK					
HOURS	MONDAY NOVEMBER 6, 2017	TUESDAY NOVEMBER 7, 2017	WEDNESDAY NOVEMBER 8, 2017	THURSDAY NOVEMBER 9, 2017	FRIDAY NOVEMBER 10, 2017
09.00 - 09.30	<b>FINAL PREPARATION</b>	C.1. Interfaith Dialog : Faith in The Changing Climate	A.3. Mainstreaming Social Forestry into Indonesia Land Reform Policy	A.6. Public and Private Partnership in Forest Landscape Restoration Program	D.3. Innovative Financing for Climate Change Actions
09.30 - 10.00					
10.00 - 10.30		C.3. Gender-responsive solutions in the context of climate change	C.6. Combating Marine Plastic Debris	A.7. Partnership Models on Peatland Restoration	A.5. Indonesia Coastal Carbon Initiative
10.30 - 11.00					
11.00 - 11.30					
11.30 - 12.00					
12.00 - 12.30	<b>OPENING CEREMONY</b>	<i>Lunch Break + Art Performances</i>		<i>Lunch Break + Art Performances</i>	
12.30 - 13.00					
13.00 - 13.30	<b>EMINENT PERSON</b>	B.4. Update on REDD+ Implementation in Indonesia	C.2. Mainstreaming Climate Change into Educational System	C.7. Innovation of Mangrove ecosystem to support community livelihood and climate change mitigation	C.5. The Roles of Youth to Provide Easy Choice of Climate Actions
13.30 - 14.00					
14.00 - 14.30					
14.30 - 15.00	B.1. Government and Business Initiatives in the Changing Climate	B.10. Attracting Industrial Buyers to Bamboo Resources in Indonesia	B.6. Selecting Green Investment Opportunities	D.4. Collective Actions for Peatlands Restoration in Indonesia	D.11. Coral Triangle Initiative and Its Contribution to Climate Actions
15.00 - 15.30					
15.30 - 16.00			B.9. Powering Green Growth : How Renewable Energy can Transform Community Livelihoods		D.10. Archipelagic and Island State Cooperation Against Climate Change
16.00 - 16.30					
16.30 - 17.00					
17.00 - 17.30					
17.30 - 18.00	<i>E.1. Green Electricity</i>	<i>E.2. Environmental Services</i>	<i>E.3. Innovative Financing</i>	<i>E.4. Forest Restoration</i>	<i>E.5. Green Manufacture</i>
18.00 - 18.30					

2ND WEEK						
HOURS	MONDAY NOVEMBER 13, 2017	TUESDAY NOVEMBER 14, 2017	WEDNESDAY NOVEMBER 15, 2017	THURSDAY NOVEMBER 16, 2017	FRIDAY NOVEMBER 17, 2017	
09.00 - 09.30	D.8. NDC, Non State Actors Action, SDGs: Connect	A.4. Conserving Biodiversities and Providing Benefits for People	A.8. Promoting Energy Conservation and Affordable Choice of Renewable Energy	D.1. ASEAN NDC PARTNERSHIP: Translating NDC Into Actions	B.5. Bulding Green Bussiness Portfolio in Developing Country	
09.30 - 10.00						
10.00 - 10.30						
10.30 - 11.00	A.2. The Present and Future REDD+ Implementation in Indonesia	D.2. Connecting NDCs into Global Climate Actions	B.8. Indonesia's Low-Carbon Development Plan (Indonesia's - LCDP): Steps Towards Its Implementation	D.5. Communicating for Climate Change : Closing Gaps Between Science and Action	D.6. Asia Pacific Rainforest Initiative (Pre-Event for Asia Pacific Rainforest Summit in Indonesia 2018)	
11.00 - 11.30						
11.30 - 12.00	<i>Lunch Break + Art Performances</i>		<i>Lunch Break + Art Performances</i>		<i>Lunch Break + Art Performances</i>	
12.00 - 12.30	<i>Lunch Break + Art Performances</i>		<i>Lunch Break + Art Performances</i>		<i>Lunch Break + Art Performances</i>	
12.30 - 13.00	<i>Lunch Break + Art Performances</i>		<i>Lunch Break + Art Performances</i>		<i>Lunch Break + Art Performances</i>	
13.00 - 13.30	B.2. Addressing Climate Change into Regional Development Plan	<b>HIGH LEVEL SESSION ON FINANCING FOR CLIMATE CHANGE</b>		A.1. Translating NDC into Actions	A.10. Securing Land Allocation for Climate Action	
13.30 - 14.00						
14.00 - 14.30	B.11. Re-Configuring of Natural Resource Based Business in Addressing New Challenges	C.8. Empowering The Community for Climate Actions	A.9. Ocean Governance for Sustainable Food Security in Changing Climate	B.7. Enhancing private sector involvement in climate change mitigation in Indonesia	D.7. The Indonesia Climate Change Corner; Engaging Multi-Stakeholders to Promote The Climate Change Action - Must Be the Final Session	
14.30 - 15.00						
15.00 - 15.30						
15.30 - 16.00	<b>CLOSING CEREMONY</b>					
16.00 - 16.30	B.3. Mainstreaming Climate Change into Urban Development Plan	C.4. Traditional Wisdom in Climate Change Mitigation and Adaptation	C.9. Enhancing Adaptive Capacity of Small- Scale Fisheries for Climate Change Resilience	B.7. Enhancing private sector involvement in climate change mitigation in Indonesia	D.7. The Indonesia Climate Change Corner; Engaging Multi-Stakeholders to Promote The Climate Change Action - Must Be the Final Session	
16.30 - 17.00						
17.00 - 17.30						
17.30 - 18.00	<i>E.6. Community Based Forest Management</i>	<i>E.7. Powering The Nation</i>	<i>E.8. Renewable Energy</i>	<i>E.9. Trade and Sustainable Development on Palm Oil</i>		
18.00 - 18.30						

SESSION	TITLE of PRESENTATION	RESOURCE PERSON (TENTATIVE)
OPENING SESSION	Report from the Chairman of Indonesia Pavilion COP-23	Senior Adviser to the Minister of Environment and Forestry, Dr.Ir. Agus Justianto
	Opening Remarks	H.E. Dr.Siti Nurbaya, Minister of Environment and Forestry, Republic of Indonesia (TBC)
LIVING IN A CHANGING CLIMATE	Eminent Person's Messages to the World	H.E. Mr. Al Gore (TBC)
HIGH LEVEL SESSION	FINANCING FOR CLIMATE CHANGE	H.E. Dr. Sri Mulyani, The Minister of Finance (TBC)
		H.E. Dr. Darmin Nasution, The Coordinating Minister of Economic Affairs (TBC)
<b>POLICY WORKS</b>		
TOPIC	TITLE of PRESENTATION	RESOURCE PERSON (TENTATIVE)
A.1. Translating NDC into Actions		DG of Climate Change, Ministry of Environment and Forestry
		Ministry of Finance (TBD)
		National Planning Agency (TBD)
		The Minister of Energy and Mineral Resources, Indonesia (TBD)
		Fabby Tumiwa, Insitute for Essential Services Reform (TBD)
A.2. The Present and Future REDD+ Implementation in Indonesia	The Present and Future of REDD+ Implementation [in Indonesia]	Dr. Nur Masripatan, Director General of Climate Change, Ministry of Environment and Forestry, Indonesia
		Representative of Partner Country Government
		Representative of International Organization
		Representative of Research Institution
A.3. Mainstreaming Social Forestry into Indonesia Land Reform Policy	Parliament's Support in Providing Access for Local Community to Manage Forest Land	Comission IV The House of Representatives of the Republic of Indonesia
	Providing 12 Million Hectares of Forest for Improving the Community Livelihood	Ir. Erna Rosdiana, MSc, Director for Social Forestry Preparation, Ministry of Environment and Forestry
	Expanding Community Rights and Access Through Implementation of Social Forestry	Hasbi Berliani, Program Manager Sustainable Environment Governance, The Partnership for Governance Reform
	Land Allocation for Social Forestry: Part of Indonesia Land Reform Policy	Nur Hidayati, Executive Director, WALHI
	Social Forestry in Supporting the National Economic Development	Dr. Monty Girianna, Deputy Minister of the Coordinating Ministry for Economic Affairs
A.4. Conserving Biodiversities and Providing Benefits for People	Sustainable Financing on Ecosystem Restoration Management in Sebangau National Park Pasca DA REDD+	Zulfira Warta, WWF Indonesia
	The Role of National Park in REDD+ Scheme	Wahjudi Wardjo, The Nature Conservancy
	Institutionalizing Climate Actions into National Park Management	Dr. Zahrul Muttaqin dan Dr. Subarudi, Ministry of Environment and Forestry
	Operationalizing "the role of conservation" of REDD+ in Indonesia	Kubo Hideyuki, JICA
	Taking Action on Climate Change in Sumatra, Indonesia: Fighting for the Leuser Ecosystem	Orangutan Information Centre
A.5. Indonesia Coastal Carbon Initiative		Coordinating Ministry for Maritime Affairs
		Ministry of Environment and Forestry
		Ministry of Fisheries and Marine Affairs
		Worldbank
A.6. Public and Private Partnership in Forest Landscape Restoration Program	Forest Restoration a Partnership Approach	Joost Oothuizen, IDH Marco Albani, TFA 2020
	Forest-based Renewable Energy	Jatna Supriatna, Belantara Foundation
	Large Scale Agroforestry Approach for Reforestation	Hashim Djojohadikusumo, Arsari Enviro
		Dr. Willie Smits, Arsari Enviro
A.7. Partnership Models on Peatland Restoration	Interpreting Landscape Approach into Partnership Models on Peatland Restoration	Sumitomo Forestry, Kubur Raya District, West Kalimantan Province
		PT Pulau Sambu, Indragiri Hilir District, Riau Province
		Deputy Director of Education, Socialization, Participation and Partnership, Peat Restoration Agency
		Warga Desa Sungai Asem, Kubu Raya District, West Kalimantan Province
A.8. Promoting Energy Conservation and Affordable Choice of Renewable Energy	Legislative Support on Realize Affordable Choices for Renewable Energy	Commision VII The House of Representatives of the Republic of Indonesia
	Energy Conservation Program's Contribution for Mitigating National GHG	Director of Energy Conservation, DG New and Renewable Energy, The Ministry of Energy and Mineral Resources
	Energy Technology Perspectives 2017 : Catalysing Energy Technology Transformations	Paul E. Simmons, IEA
	Energy Efficiency from Industry	DG Pollution and Environmental Damage Control , Ministry of Environment and Forestry
	Indonesia Biofuel: More Sustainable	Paulus Tjakrawan Taningdjaja, APROBI
A.9. Ocean Governance for Sustainable Food Security in Changing Climate	Ocean Governance for Sustainable Food Security in Changing Climate	H.E. Ms. Susi Pudjiastuti, Minister of Marine Affairs and Fisheries, Republic of Indonesia
	Achieving Food Security in Artic offshore region in Changing Climate	H.E. Mr. Per Sandberg, Minister of Fisheries, Norway
	Governing Ocean and Fisheries in Changing Climate in Chile	H.E. Mr. Pablo Berazaluce Maturana, Minister of Fisheries and Aquaculture, Chile
	Ocean Governance, Regional Marine Fisheries Organization and Global Food Security Challenges	Mr. José Graziano da Silva, Director General, Food and Agriculture Organization
	Global Food Security in Changing Climate : Challenges for the Food and Fisheries Systems	Mr. Angle Gurria, Secretary General of the Organization of Economic Cooperation and Development (OECD)
	Regional Sea Level Rise in Indonesia and its Adaptation	Head of Geospatial Information Agency, BIG (TBC) Prof. Peter Eigen, Chair of the FITI International Board, German
A.10. Securing Land Allocation for Climate Actions	Forest Land Allocation for Climate Actions	DG Forest Planology and Environment (PKTL) , Ministry of Environment and Forestry
	One Map Policy: Fundamental Instrument to Translate NDC Into Actions	Deputy of Thematic Geospatial Information, Geospatial Information Agency (BIG)

OPERATIONAL WORKS		
TOPIC	TITLE OF PRESENTATION	RESOURCE PERSON (TENTATIVE)
<b>B.1. Government and Business Initiatives in the Changing Climate</b>	A Role Model of Environmental and Climate Friendly Public Facility	Ministry of Transportation (TBC)
	Applying Eco-Office in Government	Centre for Environment and Forestry Standardization, Ministry of Environment and Forestry
	Jakarta Smart City: Center of Excellence of Green Building Development in Indonesia	DKI Jakarta Provincial Government (TBC)
	Utilizing Environmental Friendly Plastic Product into Government and Business Practices	Enviplast
<b>B.2. Addressing Climate Change into Regional Development Plan</b>	Green Growth and Low Carbon Economy: Progresses and Challenges	Governor of Jambi Province
		Governor of West Kalimantan Province
		Regent of Mappi Regency, Papua Province
	Journey of Innovation in Planning and Implementing CCA in Gorontalo District Indonesia	Regent of Gorontalo Regency, Gorontalo Province
<b>B.3. Mainstreaming Climate Change into Urban Development Plan</b>	Mainstreaming Climate Change into Urban Development Plan	Prof. Rachmat Witoelar, The President's Special Envoy on Climate Change
		Jakarta Provincial Government
		Tangerang City Government
		Mayor of Seoul City, South Korea
		Secretariat General ofICLEI International Climate Works Australia, Zero Carbon Incubator Program
<b>B.4. Update on REDD+ Implementation in Indonesia</b>	Scalable Reforestation for Significant Carbon Drawdown	Yohanes Cianes Walean, CEO of KOPRABUH (TBD) Stuart Scott, Executive Director of the United Planet Faith & Science Initiative (TBD)
	REDD+ Implementation in Gorontalo	Mr. Heru Santoso, Gobel Group, Indonesia (TBD) Mr. Shinsuke Yazaki, Kanematsu Corporation Japan (TBD)
	REDD+ Implementation and the 2019 Refinement to the 2006 IPCC Guidelines for National Greenhouse Gas Inventories	Dr. Haruni, FOERDIA, The Ministry of Environment and Forestry
	Understanding REDD+ and Forest Carbon Emissions: Science Updates to Measure, Report and Verify	Dr. Ginoga, FOERDIA, The Ministry of Environment and Forestry
<b>B.5. Bulding Green Bussiness Portfolio in Developing Country</b>	Contributing to the NDC with decentralized renewable energy by engaging state and non-state actors at Sumba Iconic Island: lessons from Indonesia	Mrs. Maritje Hutapea, Ministry of Energy and Mineral Resources Sandra Winarsa, Hivos Sumba Iconic Island Program Manager Neha Rai, Senior researcher, Climate Change IIED
<b>B.6. Selecting Green Investment Opportunities</b>	Cross-sectoral investment plans as strategic tools to facilitate climate change investments	Mr. Istiaque Ahmad, Secretary, The Ministry of Environment and Forestry Bangladesh
	The Indonesian Timber Legality Assurance System: A New Option for Green Investment Opportunities	DG of Sustainable Production Forest Management (Ditjen PHPL), Ministry of Environment and Forestry Prof Dr Rizaldi Boer, Executive Director of CCROM SEAP Bogor Agricultural University
	Financing Sustainability: New Business Opportunities in the Green Economy	Felia Salim, Chairperson, Executive Board The Partnership for Governance Reform (Main Challenges to Mobilize Private Sector in Financing Sustainability)
<b>B.7. Enhancing private sector involvement in climate change mitigation in Indonesia</b>	Engaging Private for Climate Actions	Dr. Edwin Manansang, Assistant Deputy Minister for Multilateral Economic Cooperation and Financing, Coordinating Ministry for Economic Affairs.
	Best Practices in Energy Conservation for Green Manufacturer Development	Ida Nuryatin Fahary, Director of Energy Conservation, Ministry of Energy and Mineral Resources.
	The Role of Green Manufacture for Present and Future Economic Development	Dr. Lintong Hutahaean, Director of Green Industry, Ministry of Industry.
	Green Manufacturer: Waste heat recovery power generation and cogeneration	Indonesia Cement Association.
	Addressing Environmentally Friendly Practices in the Automotive Industry	Toyota Motor Indonesia Manufacture Industry.
<b>B.8. Indonesia's Low-Carbon Development Plan (Indonesia's - LCDP): Steps Towards Its Implementation</b>	Indonesia's Low-Carbon Development Plan (Indonesia's - LCDP): Steps Towards Its Implementation	Deputy for Maritime & Natural Resources, Ministry of National Development Planning (BAPPENAS)
		Mr. Gorissen, International Climate Initiative, BMUB (TBC)
		Prof. Jeffrey Sach (Low Carbon Development & Sustainable Development: The Age of Sustainable Development - TBC)
	Low-emission development in Indonesia: negotiation-support tools and methods to reach commonly desired, multi-functioning landscapes	Dr Medrilzam, National Development Planning Agency (BAPPENAS)
		Dr Sonya Dewi, World Agroforestry Centre (ICRAF)
		Andree Ekadinata, World Agroforestry Centre (ICRAF)
		Dr Suyanto, World Agroforestry Centre (ICRAF) Dr I Wayan Susi Dharmawan, Muhammad Ridwan, Centre for Climate Risk and Opportunity Management, Indonesia
<b>B.9. Powering Green Growth : How Renewable Energy can Transform Community Livelihoods</b>	Powering Green Growth : How Renewable Energy can Transform Community Livelihoods	Governor of West Kalimantan Province
		Regent of Landak Regency, West Kalimantan Province
	Village Development through Microhydro Technology Approach	IDH, The Sustainable Trade Initiative Belantara Foundation IJ-REDD+
	Application of Small Biogas Digester for Rural Energy Supply	Tri Mumpuni, IBEKA (TBD) Sri Wahyuni, Yayasan Perempuan Inovasi Mandiri and PT SWEN
<b>B.10. Attracting Industrial Buyers to Bamboo Resources in Indonesia</b>	TBD	Arif Rabik (Envornmental Bamboo Foundation)
	TBD	Arjan Van Der Vejte (Moso Bamboo)
	TBD	Desi Ekawati (ITTO Bamboo Project)
	TBD	Peter Neilsen (IKEA)
	TBD	Nev Young (Nev House)
<b>B.11. Re-Configuring of Natural Resource Based Business in Addressing New Challenges</b>	The Maratua Ecotourism for Sustainable Small Island (MESSI) program	Sr. VP Policy, Government & Public Affairs, Chevron IndoAsia Business Unit (TBC)
	Sustainable Financing for Biodiversity and Climate Change	M.S. Sembiring, Executive Director KEHATI Foundation
	A New Configuration of Forestry Business: Addressing New Challenges	Indroyono Soesilo, Chairman of APHI

SOCIETAL WORKS		
TOPIC	TITLE of PRESENTATION	RESOURCE PERSON (TENTATIVE)
C.1. Interfaith Dialog : Faith in The Changing Climate	Sustainable Consumption: Convening and Mobilizing Faith Leaders to Promote Sustainable Living	Nana Firman, Green Faith (TBC)
	Moslem Fatwa: Domestic Waste Water Treatment Plan Development and Providing Clean Water	Indonesian Ulema Council, MUI (TBC)
	Islamic Women Organization: Roles on Environment	Hening Parlan, Indonesian Society for Disaster Management (MPBI)
	Protestant Development Service: A global active development and relief agency of the Protestant Churches in Germany	Eike Zumsail, Brot fu?r die Welt Germany
C.2. Mainstreaming Climate Change into Educational System	Climate Change Mitigation and Sustainability Agent of Academics	UI GreenMetric John-O Niles, Director of GHGMI
	Designing Academic Curriculum in Terrestrial Carbon Accounting to Support Land Use Sector Transparency	Prof Gao Jinping, FCAMC SFA People's Republic of China Prof Dr Rizaldi Boer, Executive Director of CCROM SEAP Bogor Agricultural University
C.3. Gender-responsive solutions in the context of climate change	Gender-responsive solutions in the context of climate change for agriculture and food security -linking NDCs to SDG 2 and 5	Dr Fatima Dia Sow, Commissioner for Social Affairs and Gender Economic Community of West African States (ECOWAS) Dr Sayed Azam Ali Mr Karl Deering, Regional Coordinator for Africa for Climate Change, CARE International Mr Martin Frick, Director, Climate and Environment Division, FAO Ms Tacko Ndiaye, Senior Officer for Gender, Equality and Rural Development, FAO Regional Office for Africa
C.4. Traditional Wisdom in Climate Change Mitigation and Adaptation	Alternative Economy and Agrarian Culture of Indigenous People for Climate Change Mitigation and Adaptation	Mina Susana Setra, Indigenous People Alliance of Nusantara Agung Wibowo, Manager of Customary Forest Advocacy (HuMa) Tapang Semadak Community Representatives, West Kalimantan Province
	Alternative Narrative: Indigenous Community & Natural Resources	Dewi Suralaga, Indonesia Initiative Coordinator, Climate and Land Use Alliance (CLUA) Dr. Suraya Afiff, Department of Anthropology, University of Indonesia
C.5. The Roles of Youth to Provide Easy Choice of Climate Actions	The Roles of Youth to Provide Easy Choice of Climate Actions	Satriya Aden, Indonesian Youth Delegate for UNESCO Global Youth Forum Karida Humaira (Maira), Indonesian young analyst on corporate sustainability & Climate Change reporting The winner of Indonesian Climate Journalism Competition Representative from YOUNGO Representative from China Youth Climate Movement Representative from Fiji Youth Climate Movement Representative from one of African Countries Ms. Adenantha Swietenia Fatma, Environmental Engineering Student (Undergraduate), University of Brawijaya
C.6. Combating Marine Plastic Debris	How Combatting Marine Plastic Debris	Coordinating Ministry for Maritime Affairs
	Mainstreaming Environmental Friendly Shopping Bags	DG of Waste Management, Hazardous and Toxic (PSLB3), Ministry of Environment and Forestry
	Indonesia's major efforts in crafting a plastic bag reduction policy	Mrs. Tiza Mafira as Executive Director of GIDKP
	Indonesia's first plastic bag ban in Banjarmasin	H. Hamdi as Governor Assistant for Economics and Development of Banjarmasin City, South Kalimantan Province
	Pay4Plastic trial implementation in 27 cities.	Mr. Rahyang Nusantara as National Coordinator of GIDKP
	Break Free From Plastic	Delphine Levi-Alvares (Break Free From Plastic)
C.7. Innovation of Mangrove ecosystem to support community livelihood and climate change mitigation	Establishment of mangrove Village Ecosystem Unit to support livelihood of local communities	Dr. Syaiful Anwar, FOERDIA, The Ministry of Environment and Forestry
	Sustainable utilization and conservation of mangrove ecosystem	DR. Hwan Ok Ma, ITTO
	-	Daniel Mudiyarso, CIFOR
	Mainstreaming blue carbon science into global and national policy processes and implementations	DG of Natural Resources and Ecosystem Conservation (KSDAE), Ministry of Environment and Forestry
Demonstration of mangrove ecosystem in Berau, East Kalimantan	Stephen Devenish, GFA/FORCLIME FC	
C.8. Empowering The Community for Climate Actions	Protecting Forests, empowering communities : The role of smallholders in forest conservation	Elim Sritaba, APP, IFFS Program
		DG of Social Forestry and Environmental Partnership (PSKL), Ministry of Environment and Forestry
		Ministry of Village, Disadvantage Region and Transmigration
		Mark Smulders, FAO Peter Holmgren, CIFOR
C.9. Enhancing Adaptive Capacity of Small- Scale Fisheries for Climate Change Resilience		Mr. Arni Mathiesen, Assistant DG of Fisheries and Aquaculture Dept. FAO
		DG of Capture Fisheries, Ministry of Marine Affairs and Fisheries
		Brett Jenks, Vice President Rare, Indonesia OR CEO, Rare
		Federal Ministry for Environment, Nature Conservation Building and Nuclear Safety, Germany
		Ministry of Fisheries, Sweden/ Johan L. Kuylenstierna, Executive Director, Stockholm Environment Institute
		Yogi Yanuar, Head of the local agency for National Marine Protected Areas in Pekanbaru (Riau Province, Indonesia)
		High level representative from Philippines High level representative from Micronesia Achim Steiner, Administrator, UNDP

COLLABORATIVE WORKS		
TOPIC	TITLE of PRESENTATION	RESOURCE PERSON (TENTATIVE)
D.1. ASEAN NDC PARTNERSHIP: Translating NDC Into Actions	ASEAN SESSION	DG of Climate Change, Ministry of Environment and Forestry
		AWGCC National Focal Points of each ASEAN Member States
		UNFCCC Experts
		ASEAN Secretariat
D.2. Connecting NDCs into Global Climate Actions	HIGH LEVEL SESSION	ASEAN Dialogue/ Development Partners.
		DG of Climate Change, Ministry of Environment and Forestry
		Norway
		Finland
D.3. Innovative Financing for Climate Change Actions	Financing Sustainable Positive Impacts at the Landscape Level	TBD
		TBD
		Prof. Jatna Supriatna, Belantara
		Sri Mariati, Executive Director, Belantara Foundation
D.4. Collective Actions for Peatlands Restoration in Indonesia	Peatlands restoration in Indonesia: an update and the way forward	Medrilzam, National Planning Agency, BAPPENAS
		Jennifer Moriston/Chris Stone, Conservation International
		Dida Gardera, Assistant Deputy Minister for Environmental Protection, Coordinating Ministry of Economy
		Nazir Foead, Head of Peatlands Restoration Agency (BRG), Indonesia
		Monitoring peatlands cover change: progress and caveats for restoration
		Rosa Maria Roman-Cuesta, CIFOR
		Large scale peatlands restoration with multiple objectives
Dharsono Hartono, PT Rimba Makmur Utama, Indonesia		
D.5. Communicating for Climate Change: Closing Gaps Between Science and Action	Best Practices of National Scale Climate Change Communication Programs	Collective peatland actions from an NGO's perspective
		Susanna Tol, Wetlands International, Netherlands (TBC)
		Towards criteria and indicators of rehabilitated peatlands
		Susan Page, University of Leicester, UK (TBC)
		Peatland Partnership: 'Caring for Peatland' Villages (Desa Peduli Gambut)
		Monica Tanuhandaru, Executive Director, Kemitraan.
		TBC
International Peatland Society		
D.6. Asia Pacific Rainforest Initiative (Pre-Event for Asia Pacific Rainforest Summit in Indonesia 2018)	Asia Pacific Rainforest Initiative (Pre-Event for Asia Pacific Rainforest Summit in Indonesia 2018)	Amanda Katili Niode, Ph. D., Office of the President's Special Envoy for Climate Change
		Mark Meisner, Ph. D., Executive Director, International Environmental Communication Association
		Ken Berlin, President & CEO The Climate Reality Project
		Greg Walker, Ph. D., Professor of Communication and Environmental Sciences, Oregon State University
D.7. The Indonesia Climate Change Corner; Engaging Multi-Stakeholders to Promote The Climate Change Actions	The Role of Indonesia Climate Change Corner in Promoting Climate Change Actions	Rodney Galicha, Philippine Manager, The Climate Reality Project
		Scientist's Roles in Climate Action Policy Development
		Prof Dr Rizaldi Boer, Center for Climate Risk and Opportunity Management in Southeast Asia and Pacific (CCROM SEAP) Bogor Agricultural University
		Local Government's Roles in Climate Action Policy Development
		Dr Ir Yunus Sirante MSI, Head of Local Development Planning Agency of Tana Toraja
D.8. NDC, Non State Actors Action, SDGs: Connect	International Agency's Roles in Climate Action Policy Development	Community's Roles in Climate Action Policy Development
		Dr Ir Muhammad Ardiansyah, Center for Climate Risk and Opportunity Management in Southeast Asia and Pacific (CCROM SEAP) Bogor Agricultural University
		UN Environment (TBC)
		UNFCCC Secretariat (TBC)
D.9. Innovative financing for forest conservation and regional development	Innovative financing for forest conservation and regional development	UNDP (TBC)
		ISO (TBC)
		Janez Potocnik, Environment's IRP
		Dr. Rathin Roy, Director of National Institute of Public Finance and Policy, India.
		Dr. Irene Ring, President of the European Society for Ecological Economics, Germany.
D.10. Archipelagic and Island State Cooperation Against Climate Change	Coordinating Ministry for Maritime Affairs	Dr. Ir. Lukita Dinarsyah Tuwo, M.A., Secretary of The Coordinating Ministry for Economic Affairs and Chairman of Majelis Wali Amanat, MCA-Indonesia
		Fiji
		Maldives
D.11. Coral Triangle Initiative and Its Contribution to Climate Actions	The Ministry of Fisheries and Marine Affairs	Coordinating Ministry for Maritime Affairs
		CTI-CFF
		Musdhalifah Machmud, Deputy of Food and Agriculture, Coordinating Ministry for Economic Affairs
E. Trade and Sustainable Development on Palm Oil (TBD)		Dedi Joenaedi, Director of Crops Marketing and Management, Ministry of Agriculture
		Frank Claassen, CEO European Palm Oil Alliance (EPOA)
		Diah Suradiredja, KEHATI
